

**FINAL RESULTS EARLY ADMISSION 2019
GENERAL MEDICINE**

Following the assessment, 3 types of decisions are possible:

Conditional admission – provisional enrolment in Medicine or Dentistry English language programmes.

In order to conclude the enrolment process the candidate will need Recognition of studies by the Romanian Ministry of National Education.

Pending – the application will be deferred to the Regular Admission round. The candidate will not need to apply again. However, pending candidates will need to provide additional documents, and their dossiers will be re-assessed according to the regular admission procedure. The final decision will be taken when the regular admission takes place.

Rejection – candidates will not be offered a place in our undergraduate programmes and will not be able to apply again during the same year.

**ALL THE APPLICANTS WHO RECEIVED THE CONDITIONAL ADMISSION MUST BE VALIDATED BY THE
MINISTRY OF NATIONAL EDUCATION.**
