High school studies completed in alternative education systems	Foreign citizens who have completed alternative forms of schooling — such as home schooling, online schooling, hybrid/blended learning, or other similar forms — regulated and recognized by the legislation of the country in which they were organized, may participate in the university admission process in Romania, subject to the cumulative fulfillment of the following conditions: <ul style="list-style-type: none"><li>• they have completed a study program organized by an institution accredited and authorized in accordance with the legislation of the country in which it operates, recognized by the competent educational authority;</li><li>• they submit annual academic transcripts and diplomas issued by accredited educational institutions, evaluated and authorized by internationally recognized accreditation agencies.</li></ul>
Diplomas that grant access to restricted fields in the issuing country.	Pre-university education certificates that, in the country of origin, provide limited access to certain study programs may be recognized, on a case-by-case basis, for enrollment in similar programs in Romania, in accordance with the criteria of the educational institution.
