INFORMATION

Pursuant to the provisions of the **Regulation (UE) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and the repeal of the Directive 95/46/CE (General regulation on data protection)**

The University of Medicine, Pharmacy, Sciences and Technology „George Emil Palade" of Târgu Mureș (UMFST G. E. Palade Târgu. Mureș), based in Târgu Mureș, Gheorghe Marinescu Street, no. 38, in order to fulfill the mission of a comprehensive university, to generate and transfer knowledge to society, processes the personal data of teaching staff, associate teaching staff, auxiliary and non-teaching staff, employed staff as well as students.

Protection of personal data at UMFST G. E. Palade Târgu. Mureș, has as its central and constant concern the assurance of the members of our community - as well as those who associate with us or visit us - the fundamental human rights and freedoms, in the spirit of the Charter of Fundamental Rights of the European Union. In this way, the European and humanistic vocation of our University is also proven on this occasion.

UMFST G.E. Palade Târgu.Mureș has at the center of its concerns - in order to ensure the protection of personal data, compliance with all GDPR principles (cumulative): Legality, fairness and transparency (data is processed legally, fairly and transparently to the data subject).

Processing refers to any operation or set of operations performed on personal data or sets of personal data, with or without the use of automated means, such as: collecting, recording, organizing, structuring, storing, adapting or modifying, extracting, consulting, using, disclosing by transmission, disseminating or otherwise making available, aligning or combining, restricting, deleting or destroying.

The purpose of processing is closely related to the general and specific mission of UMFST G.E. Palade Târgu. Mureș - education, research and services addressed to the community.

The personal data - which have been or will be requested - will be provided by you and will be processed within a period of time provided for in European and national legislation, in accordance with the GDPR and the other legal bases that require this, respecting the principles ensuring their security and respecting your rights. The archival nomenclature of UMFST G.E. Palade Târgu. Mureș provides the retention period for each category of personal data.

UMFST G.E. Palade Târgu. Mureș uses administrative, organizational, technical and physical methods to ensure the security of personal data both on the UMFST G.E. website. Palade Târgu. Mureș, as well as within the institution (servers, computer networks). Security measures are designed to maintain an appropriate level of data confidentiality, integrity and availability. The Computer Networks, Communications and Informatization Service implements and manages IT security systems.
