

Languages spoken:	English, French
Current position:	Associate Professor, Medical Clinic no. 1, University of Medicine and Pharmacy, Cluj-Napoca, Romania (since 2002) Head, Second Department of Cardiology (Interventional Cardiology) and Cardiac Angiography & Catheterization Laboratory, County Emergency University Hospital Cluj
Teaching activity:	Undergraduate 5 th year medical students: Cardio-vascular diseases Postgraduate training: cardio-vascular pathology (cardiology fellows), interventional cardiology (for national certification of competence), vascular echo-Doppler (national coordinator), European Master in Vascular Medicine, Milan, Italy (VAS teaching staff board member) UEMS Division of Angiology/ Vascular Medicine: Chair, Board of the European Exam on Angiology/ Vascular Medicine
Medical degrees:	Specialist in Internal Medicine – 1994 (Health Ministry, Romania) Senior physician in Internal Medicine – 1998 (Health Ministry, Romania) Specialist in Cardiology – 1996 (Health Ministry, Romania) Senior physician in Cardiology – 2000 (Health Ministry, Romania) Specialist in Angiology – 1994 (Capacité Nationale d'Angiologie, Université Joseph Fourier, Grenoble, France) Competence in Echocardiography – 1997 (Health Ministry, Romania) Competence in Vascular Ultrasonography – 2000 (Health Ministry, Romania) Competence in Invasive and Interventional Cardiology – 2000 (Health Ministry, Romania) Attestation de Formation Spécialisée en Pathologie Cardio-Vasculaire: 1993 and 1994 (Université Joseph Fourier, Grenoble and Université François Rabelais, Tours, France)
Medical distinctions:	European Fellow in Angiology – 1998 (European Working Group on Medical Angiology), Head of the IUA European Teaching Centre in Medical Angiology, Cluj-Napoca, Romania UEMS European Angiologist (2016) Fellow of the European Society of Cardiology, FESC – 2003 European Cardiologist – 2003
Scientific awards:	3 rd Prize of the International Union of Angiology for a scientific paper presented at the European Congress of Angiology in Koln (2001), Young Investigators Award Competition
Previous medical positions:	Resident, physician in training: 1986-1989 (University Hospital, Cluj-Napoca) Assistant lecturer: 1990-1999 and lecturer 1999-2002 (Medical Clinic no. 1, Cluj-Napoca, Romania) Faisant Fonction d'Interne: 1991-1992 (University Hospital, Grenoble, France) Médecin Attaché: 1992-1993 (University Hospital, Grenoble, France) Médecin Attaché: 1993-1994 (Department of Interventional Cardiology, University Hospital, Tours, France)
Ability to perform cardio-vascular	

Investigations:	Interventional Cardiology and Angiology (coronary and peripheral arteries angiography and angioplasty) Echocardiography (including transesophageal echocardiography) Interpretation of myocardial scintigraphy Ambulatory electrocardiography and blood pressure monitoring Vascular ultrasonography Capillaroscopy
Ph.D. Thesis:	"High resolution electrocardiography in the investigation of cardiac arrhythmias and myocardial ischemia" – 1993
Habilitation	Habilitation to conduct PhD research activities, issued by the Romanian Ministry of Education, 2020
Patent:	"Method and equipment for non-invasive recording of His-Purkinje activity" – 1986 (Romania)
Scientific activity:	Publons Web of Science Identification: AAI-9240-2021 Hirsch Index: 10 on Google Scholar; 8 on WOS Core Collection Published papers: 63 (ISI/Pubmed), of whom 16 as main author, 3 in Q1 and 1 in Q2 journals ; 51 papers in WOS Core Collection Conferences at national or international conferences: 16 Co-editor: VAS European Vascular Medicine Textbook (2018) Editor: 2 books (Pathologie cardiovasculaire- pathologie coronarienne, de l'aorte et des artères des membres inférieurs-2021; OCT intracoronary imaging for optimizing the approach to acute coronary syndromes- 2021) University teaching courses (co-author): 4 Chapters in national books: 4
Scientific fields of interest:	Atherothrombosis (multisite arterial disease), carotid stenosis, arteriopathies, thromboembolic disease, ultrasonography (cardiac and vascular), coronary heart disease (acute coronary syndromes, interventional cardiology), invasive imaging (OCT), computers in cardiology, heart failure, hypertension.
Research grants:	Investigator/coordinator: EU funded: 1 (ACSRS trial, coordinator for Romania); National coordinator for 1 grant funded by the Romanian Government (Improving of diagnosis using automatic OCT identification of structures, using artificial intelligence), in cooperation with Siemens Corporation (2020-2022) Centre coordinator for 5 grants funded by the Romanian Government (2005-2010)
Investigator in clinical trials:	CITAS, (Cardiac Insufficiency Talinolol Study) – AWD, Germany; ACSRS (Asymptomatic Carotid Stenosis and Risk of Stroke) – European Union grant, Imperial College, London; CLIPS (Critical Leg Ischemia Prevention Study) – Independent Trial, University of Milan, Italy; European Database for Vascular Diseases – funded by VAS; EPHEUS – funded by Pharmacia; PREVENT – funded by Pharmacia; PREAMI – funded by Les Laboratoires Servier; BEAUTIFUL - funded by Les Laboratoires Servier; HEART 2D – funded by Lilly; OLMITIAZ, funded by Menarini Recherche; ADD-ON, funded by Menarini Recherche; TRILOGY ACS – funded by Eli Lilly; TAK 442 – funded by Takeda; COMMANDER – funded by Johnson & Johnson; AUGUSTUS – funded by BMS; AEGIS II- funded by Behring
Membership of Scientific societies:	VAS (European Association of Vascular Medicine, Board member) Romanian Society of Angiology and Vascular Surgery (Vice-President) ESVM- European Society on Vascular Medicine (Board Member, Member of Guidelines and Scientific Committees) International Union of Angiology Collège Français de Pathologie Vasculaire Société d'Angiologie de Langue Française Romanian Society of Cardiology European Society of Cardiology
Participation with papers to international congresses:	World Congress of Angiology (1992 – Paris, 2000 –Ghent, 2004 – Rome, 2006- Lisbon, 2012 – Prague, 2016 - Lyon) European Congress of Angiology (1996 – Budapest, 1997 – Rome, 2001 – Köln, 2011 – Paris, 2015 – Budapest, 2017- Graz, 2019- Ljubljana) European Congress of Microcirculation (1993 – London) French Congress of Angiology (1993, 1998, 2015 – Paris)

World Congress of Cardiology (1986, Washington)
European Congress of Cardiology (1988 - Vienna, 1993 - Nice, 1998 - Vienna, 2001 - Stockholm, 2009 - Barcelona)
Computers in Cardiology Conferences (1988 - Bethesda, 1990 - Chicago, 1991 - Venice, 1993 - London, 1995 - Vienna, 1999 - Hannover, 2000 - Boston, 2001 - Rotterdam, 2003 - Thessaloniki, 2004 - Chicago, 2005 - Lyon)
EuroEcho Conference (Munich 2002, Madrid - 2010)
Acute Cardiac Care Conference (Prague 2006, Copenhagen 2010)
