● ABOUT ME

Associate Professor within the Discipline of Dental Propaedeutics and Aesthetics in the Department of Prosthodontics and Dental Materials of the Faculty of Dental Medicine of the "Iuliu Hatieganu" University of Medicine and Pharmacy Cluj-Napoca

Training: Graduated the Faculty of Dental Medicine in 2008, obtained the Master in Oral Rehabilitation and Dental Medicine in 2010, the PhD in 2014 with the thesis "Investigations on the impact of orthodontic treatment on the dental-facial aesthetics" made under the coordination of the UMF Cluj-Napoca in collaboration with UFR Dentistry, Bordeaux, France. I am a specialist in the fields of Orthodontics and Dental-Facial Orthopedics since 2012 and, therefore, my main topics of interest and research have combined orthodontics, aesthetics, dental materials and morphology. I received scholarships at the University of Marseille (3 months in 2006) and the University of Bordeaux (6 months in 2009 and 3 months in 2013) in France. I attended orthodontic training courses in the USA, France, Italy and Romania.

My teaching activity with the students consists of courses and practical pre-clinical activity in the disciplines Morphology and function of the Dento-Maxillary Apparatus, Semiology of the Oral Cavity, Dento-Facial Aesthetics.
