📍 Department of Medical Informatics and Biostatistics  
Faculty of Medicine, Iuliu Hațieganu University of Medicine and Pharmacy  
Louis Pasteur Str., no. 6, 400349 Cluj-Napoca, Romania

## ABOUT ME

I am a full Professor in Biostatistics and Medical Informatics with over 20 years of experience in academic teaching, research, and doctoral supervision. I have expertise in biostatistics, research methodology, digital health, academic integrity, and scientific publishing, and a proven track record in leading national and European research projects, mentoring PhD students, and contributing to international scientific communities and editorial boards. My research impact is internationally recognized in the World Ranking of Top 2% Scientists.
