

Lista de publicații

1. Mucenic S, Szekely M, Molnar-Varlam C, Bereșescu G, Borș A, Cămărășan A. Non Carious Cervical Lesions-A Clinical Study. *Acta Medica Marisiensis*, 2010; 56(3):258-26.
2. Mucenic S, Bereșescu G, Borș A, Cămărășan A, Molnar Varlam C, Kerekes Mathe B, Szekely M. Clinical Study Regarding the Association Between Some Etiological Factors And Tooth Wear. *Acta Medica Marisiensis* 2011;57(5):412-415.
3. Mucenic S, Brezeanu L, Bereșescu G, Molnar Varlam C. Biomechanism of Abfraction Lesions. *Acta Medica Marisiensis* 2012;58(1):39-41.
4. Borș A, Molnar Varlam C, Cămărășan A, Mucenic S, Fazakas Z. Assessment of Erosive Potential on Dental Enamel of Different Beverages Marketed in Targu Mures—An In Vitro Study. *Acta Medica Marisiensis* 2010;56(3):255-257.
5. Borș A, Fazakas Z, Molnar Varlam C, Cămărășan A, Mucenic S, Kerekes Mathe B, Szekely M. Quantifying Human Enamel Erosion Caused By Freshly Squeezed Juices. *Acta Medica Marisiensis*. 2011;57(3):166-168.
6. Kerekes-Máthé B, Jobbágy-Óvári G, Székely M, Cămărășan A, Borș A, Mucenic S, Varga G. Association between tooth agenesis and polymorphism of FGFR1, IRF6, MSX1, PAX9 genes in patients from Tg.Mures. *Acta Medica Marisiensis* 2012;58(2):99-101.
7. Cămărășan A, Szekely M, Borș A, Mucenic S, Kerekes Mathe B, Cerghizan D. Use of dentifrices and fluoride supplements by preschool children- A pilot study. *Acta Medica Marisiensis* 2012;58(1):15-17.
8. Cămărășan A, Fazakas Z, Borș A, Mucenic S, Szekely M. Study regarding the relationship between the infusion time and fluoride content in different teas. *Acta Medica Marisiensis* 2010; 56(2):122-124.
9. Bereșescu G, Brezeanu L, Mucenic S FiniteElement Method Study on Mechanical of Noncarious Cervical Lesions Restoration *Acta Medica Marisiensis* 2010;56(6):566-568.
10. Bechir A, Păcurar M, Podariu AC, Mucenic S, Bechir ES. The Desensitizing Effect of Two Dental Materials on Teeth with Abfraction. *Revista de Chimie Timișoara* 2012.(Acceptat spre publicare online)
11. Mucenic S, Molnar-Varlam C, Bereșescu G. Prevalența leziunilor non-carioase cervicale la adulți. *Timișoara Medical Journal* 2010;60(supp 1):77.
12. Mucenic S, Brezeanu L, Bereșescu G. Succesul in restaurarea leziunilor cervicale non-carioase, *Medicine in Evolution* 2012;18(supp 2):33.
13. Mucenic S, Szekely M, Molnar Varlam C, Bereșescu G. Studii privind restaurarea leziunilor noncarioase cervicale bazate pe etiologie, Sesiune Stiintifica Anuala a Cadrelor Didactice UMF Tg.Mures, 10-12 decembrie 2009:35.
14. Bereșescu G, Mucenic S. Obezitatea- factor de risc in bolile parodontale. *Medicine in Evolution* 2012;18(suppl 12):39.

15. Bereşescu G, Ormenişan A, Monea A, Mucenic S. Treatment of multiple gingival recession using modified coronally advanced tunnel technique: case report. *Acta Medica Marisiensis* 2012;5(supp 3):25.
16. Molnar Varlam C, Mucenic S. Studii comparative a texturii smaltului la dintii anteriori. *Revista de Medicina si Farmacie Universitatea de Medicina si Farmacie din Tg.Mures* 2009;55(4):95.
17. Molnar Varlam C, Mucenic S. Evidentierea transluciditatii dintilor anteriori. *Revista de Medicina si Farmacie Universitatea de Medicina si Farmacie din Tg.Mures* 2009;55(4):96.
18. Mucenic S, Molnar Varlam C. Diagnosticul diferential intre leziunile abrazive si leziunile induse de presiuni(abfractia),. *Revista de Medicina si Farmacie Universitatea de medicina si Farmacie din Tg.Mures* 2009;55(4):97.
19. Cristina Stanca Molnar-Varlam, Szekely Melinda Gyongy, Simona Gabriela Mucenic. *Materiale Dentare*. University Press 2011.
