

Call for applications for teaching assistant–demonstrator positions
Department of Pathophysiology
Academic year 2026–2027

In accordance with the Regulations on the Activity of Teaching Assistant–Demonstrators and Interns — UMFST REG 19 — the Department of Pathophysiology is announcing a competition for teaching assistant–demonstrator positions within the Faculty of Medicine (including the Romanian- and Hungarian-language programmes), as well as the Faculty of Medicine English-language programme.

Eligibility Criteria

Applicants must meet the following requirements:

- Be enrolled in at least the fourth year of the Medicine programme.
- Have completed all academic requirements during the previous academic year and have passed the Pathophysiology examinations during the regular examination sessions.
- Have obtained an overall average grade of at least 8.00 during the previous academic year.
- Have no disciplinary sanctions.

Available positions

- Faculty of Medicine: 3 positions
- English-language Medicine programme: 2 positions

Competition schedule

- 1–8 October 2026: Submission of applications by email to fiziopatologie@umfst.ro.
- 9 October 2026: Review of application documents and notification of candidates selected for interview.
- 12 October 2026: Interviews and publication of the results.
- 13 October 2026: Submission of appeals by 12:00 noon to fiziopatologie@umfst.ro, followed by publication of the final results.

Required application documents

- Europass CV and a summary of scientific activity
- Letter of intent

All documents must be submitted in PDF format to fiziopatologie@umfst.ro by 8 October 2026, 11:59 p.m.

Assessment Components

1. CV and letter of intent — 40% of the final score
2. Interview — 60% of the final score

Scoring system
Competition for teaching assistant–demonstrator positions
Department of Pathophysiology — Faculty of Medicine

Assessment 1: CV and Letter of Motivation: 40% of the final grade

Score 1

- Criterion 1 — Scientific activity: 0, 1, or 2 points
- Criterion 2 — Volunteer activity: 0, 1, or 2 points
- Criterion 3 — Letter of motivation: 0, 1, or 2 points

Note: For Score 1, only information included in the documents submitted as part of the application will be considered valid.

Maximum Score 1: 6 points

Score 1= (Criterion 1 + Criterion 2 + Criterion 3) ×10 / 6

Score 2

The overall arithmetic mean grade for the second and third years of study.

Assessment 1 Grade= (Score 1 + Score 2) / 2

Assessment 2: Interview: 60% of the final grade

Final Grade=(Assessment 1 Grade × 0.4)+(Assessment 2 Grade × 0.6)

Head of the Department of Pathophysiology
Professor Ovidiu S. Cotoi, MD, PhD

1 October 2026
