ASSESSMENT

In the first week of September 2025, students should submit to the nominated tutor of the year a logbook with the description of all medical activities performed in the hospitals.
All activities, according with the syllabus, should be validated by the supervisor from the Hospital, with stamp and signature.
The tutor will analyze all submitted documents and will offer grades from 1 to 10.
Students will pass this subject and will receive 2 ECTS if the grade is minimum 5.
