

MEASURES REGARDING THE HEALTH PROTECTION OF STUDENTS during GRADUATION/DIPLOMA EXAM - WRITTEN TEST

The *GRADUATION/DIPLOMA exam - written test* for students from class 2020, is scheduled on the **28th of July 2020**, in the **Festive Hall** (UMFST main building), between **10.00 - 13.00 a.m.**

The epidemiological screening is performed in accordance with the legal provisions in force.

In order to ensure the access of all students at the time set for the exam, please present yourself 10 minutes before the scheduled time and respect the legal distance between people by sitting on the markings displayed by the Faculty. It is **mandatory** to wear a **face mask to cover the nose and mouth** (**the face mask is not provided by the University!**). Otherwise you are not allowed access, respectively you will be forced to leave the building if you do not follow the rule all time during your presence in the building;

The **circuit for students** in the UMFST main building will be:

- entrance: Parking 2 (central door)
- access to the second floor: main stairs
- exam rooms: *Festive Hall* and *Small Amphitheater* (spare room)
- exit: main exit /door of the main building

Please access your exam room by following the markings of the displayed access circuit!

Move strictly where you have a problem to solve, your presence in other locations of the building where you have not received access permission will cause your evacuation from the building by the security staff, whether or not you have solved the problem for which you have received scheduling and access.

The entrance in the exam room – *Festive Hall* will take place respecting the following schedule:

Codes **1001-1021**: 09.20 -09.35 a.m.

Codes **1022-1042**: 09.35-09.50 a.m. (see the document: *Codes for exam*)

For all students, the body temperature will be measured by UMFST staff at the entrance in the examination room.

Please present the completed and signed **Questionnaire for the Epidemiological Screening** to the person at the entrance to the examination room. The questionnaire can be downloaded here:

https://www.umfst.ro/fileadmin/f_medicina_engleza/orar/2020_martie/Questionnaire_Epidemiologica_I_Screening.pdf

Persons with body temperature with values higher than 37.3⁰ C (with a second check after 2-5 min.) on the day and time of the summative exam will be guided in a separate room – *Small Amphitheater*. These students may take the exam under the supervision of teachers with special measures of protection.

Please disinfect your hands using the devices provided by the Faculty, at the entrance into the main building or in the examination rooms! Sit in the specially arranged place, at the indication of the teacher (according with documents: *Placement of Students* and *Codes for exam*). Please do not walk through the examination room and keep a distance of 1.5 m from other people!

At the end of the exam, after handing in the question books and the exam grids, you have the obligation to leave the UMFST building following the exit circuit through the displayed markings.

Strictly follow the personal hygiene rules recommended by the authorities:

- if you sneeze or cough, cover your mouth and nose with a disposable napkin, which you are careful to throw away immediately in the trash;
- do not touch your eyes, nose or mouth with unhygienic hands;
