- Students enrolled at **Dental Technology**
- Students enrolled at **Hydrotherapy, Kinesiology and Medical Rehabilitation**

Details

The Erasmus+ traineeship mobility can be carried out in a university, a teaching or private hospital, in a private practice, laboratory, research institute, pharmacy, etc.

The selected students will receive funding only if they obtain a *letter of acceptance* from the host institution, signed by the head of the department concerned. The eligible countries for carrying out the Erasmus+ placement mobility are: countries from the EU + Turkey, Switzerland, Faeroe Islands, Great Britain, Andorra, Monaco, San Marino, Macedonia, Serbia.

The mobility should be carried out within one year after the license exam.

The minimum duration of the mobility is 2 months.

Eligibility:

- Students enrolled at George Emil Palade University of Medicine, Pharmacy, Science and Technology of Târgu Mureș **in their final year of studies.**

*** Before applying, students must make sure that the total number of mobility months carried out under the Erasmus+ programme, throughout their studies (study and placement mobilities), including the recent graduate placement mobility intended to be carried out, does not exceed 24 months.**

Selection criteria:

- **FULL CREDITED STUDENTS IN THE COMPLETED YEARS OF STUDY**
- **Academic performance:** arithmetic average of completed years of study (average X 10)
- **Scientific performance:** Number of abstracts published in journals as first author (n X 3) and as co-author (max. 3 abstracts 3X1). For each abstract, only one contributor will be considered first author.

Please note! At this point of submission of your application, you have to enter only ***the average*** of the ***completed years of study*** and ***the number of abstracts*** for each category if any. All the necessary calculations for the final score will be made automatically by the platform.

Only documented performance will be considered. For each abstract you have to provide: the cover of the journal or abstract volume, the page containing the name, period and location of the scientific event, the page(s) containing the abstract).

- ***The status of tutor/demonstrator.*** It should be supported by a certificate released by the Dean's Office, and also signed by the head of the department concerned.

Only the tutor/demonstrator activity carried out prior to the selection call (at least the previous semester) will be taken into consideration. The total score obtained after evaluation of the file will be increased by the commission by 10%, according to the internal rules of the university.

Selection file

The selection file must contain the following documents in PDF format, **each document no larger than 5 MB**:

- Cover letter
- Euro pass CV (PDF format)
- Identity card
- Evidence of the scientific performance. They will be loaded as ***one single document*** for each criterion, containing all the evidence for that criterion, in PDF format
- Certificate released by the Dean's Office, and also signed by the head of the department concerned.
