In acest moment avem echivalența dintre cursuri. Exista posibilitatea, **dacă este necesar**, de a mai adăuga un curs la fiecare din universități (în funcție de echivalarea acestora, daca din mai multe materii se echivaleaza o singura materie acasa (de ex. din doua materii separate: Ortopedie si Traumatologie acasa se echivaleaza Ortopedie-traumatologie), sau daca dintr-o singura materie de la universitatea partenera se achivaleaza mai multe acasa (de ex. Medicina interna poate cuprinde Gastroenterologie, Nefrologie, ...).
